AXEPERT (INSTRUCTOR) JOB DESCRIPTION

- Sheffield resident (or easily commutable)
- Able to provide 2 work references.

We are looking for the best of the best to join our axe throwing family.

Axe throwing?

Yes, you read that correctly. We have taken axe throwing out of the middle ages and brought it into the 21st century. There is nothing like the satisfying thud of sinking your first axe.

General Overview of the position:

As a BattleAxe axepert, it is your duty to deliver a kick- ass experience to everyone who comes onto your lane.

Can you command the attention of an eager-eyed group of axe novices? Are you a fast learner and a patient teacher? Do you have a built-in radar for safety? Can you keep a cool head while the axes are flying? Do you secretly love axe puns? If it sounds like we are talking about you, come have a chat and see if you have the skills to join our team!

Main duties and responsibilities:

- Greet and tend to customer needs for the duration of the visit.
- Run axe throwing events according to your training guidelines.
- Manage groups and make sure they're all happy.
- Use power tools safely to repair and maintain our lanes.
- Prepare lanes and venue for events and keep the facility looking ready for battle.
- Be a team player.
